www.nlcc.co.uk

The Chamber has a proven track record of listening to all its members needs, & more importantly reacting. A NLCC membership offers representation, advice & information at a local, pan London & National level:

Representation

- stay informed with the latest developments in the wider business community
- add your voice to ours to ensure that you are heard

Business Support & Signposting

Access appropriate support & advice to meet your specific business needs, through our extensive networks in:

- training & recruitment
- health & safety
- importing & exporting
- sector specific issues
- recycling & trade waste
- local transportation issues
- legislation
- relocation & accessing grants
- starting up a business

Themed Seminars

- attend regular updates on the latest business issues & local developments (ie.2012 Olympic opportunities)
- expand your markets overseas & tap into advice through the **NLCC International Trade Forum**

E-newsletter

- receive the chamber e-newsletter, the **Business Leader**, circulated to >2,000 North London businesses
- gain the latest information on health & safety, legal compliancy, training & legislation
- raise your business profile through editorials & advertisements

Online Business Directory

- a portal for members to interact, sourcing new contacts & leads
- a popular tool for easily identifying companies by sector or business activity

Targeted Business Support

- **HR Forum**
supports training, development, recruitment & people management in local business
- **Innovation Support**
offering advice and support for the development of new processes & products
- **The Manufacturers Network**
an employer-led network, addressing the needs of local manufacturers
- **The Tourism Network**
an employer-led network, addressing the needs of hospitality, leisure & tourism
- **Enfield & Haringey Estates**
supporting Businesses on Enfield & Haringey Industrial Estates

(Please see individual facts sheets for further information on targeted business support)

all new
members
